

ACES Dressage Challenge Rules 2024

The Competition is held from **January to December** in accordance with the FEI Rules for Dressage Events, 26th edition, effective 1st January 2024, and 2024 FEI Dressage World Challenge Rules (please www.inside.fei.org > Rules > Dressage) for Category A classes, **with exceptions for Category B**, and FEI General Regulations, Pony Regulations and Veterinary Regulations currently in force.

The ACES Challenge is an initiative to promote the Dressage Discipline in Africa as a parallel, complementary and supportive product to the FEI DRESSAGE WORLD CHALLENGE. This competition has therefore been designed for ultimate promotion to the FEI DWC levels. Further, its formation creates the foundations necessary to sustain and to ensure the longevity and future pool of athletes for the FEI DWC and higher competition.

Rules are subject to changes/ modification due to technical and or logistical reasons.

1. PRINCIPLES

1.1 Category A is open to a maximum of **40** starters in total (see art. 2.13). Category B is open to a maximum of 40 starters in total. 1.2 The ACES Challenge consists of:

Category A

- Intermediate I Class
- Prix St-Georges Class
- Senior II Class
- Senior I Class
- Youth Class

Category B

- Day 3: If applicable Category B classes with a maximum of 40 starters in total (See 1.1)
- Day 4: Judges' departure

2. PARTICIPATION

2.1 The ACES Challenge Competition is open to National Federations still in the ongoing progression of Dressage Development.

2.2 The competition will be held between 1st January to 31st December of each year between the National Federations who are members of Group IX, ACES and the FEI, with one ACES Challenge per year per National Federation.

2.3 The Competition is open to the following age groups from the 1st January of the year in which they reach said age:

- FEI Intermediate I – 16 yrs of age and above
- FEI Prix St-Georges – 16 yrs of age and above
- FEI Challenge Senior II – 16 yrs of age and above
- FEI Challenge Senior I – 16 yrs of age and above

2.3.1 MANDATORY UPGRADE:

- Category B: Preliminary and Elementary levels.

If a horse/rider combination has obtained a percentage of 70% or higher in one season/level or 65% or higher over two seasons, they are obligated to upgrade to the next technical level.

Note: Mandatory upgrade does not apply to Children, Youth or Juniors

2.4 **As an exception to the FEI General Regulations** "Athletes Living outside their country of nationality" (as defined in the FEI General Regulations) may compete for their country of residence. **They may also be members of their host country's team.**

2.5 The Challenge Competition is open to all Horses and ponies of any origin provided they have successfully passed the Veterinary Inspection. From this point forth, both Horses and ponies will be referred to as 'Horses' and therefore can be ridden in all categories by Seniors, Juniors and children.

Horses may compete if they are a minimum of:

- 5 years of age for the Preliminary, Elementary and Senior I Class
- 6 years of age for the Youth and Senior II Classes
- 7 years of age for the PSG and Intermediate I Classes.

The age is counted from 1st January of the year of birth in the Northern hemisphere and 1st August for the Southern Hemisphere.

2.6 The FEI Dressage World Challenge classes **must take precedence over any other competition (ACES Challenge) organised in its framework** and, if applicable, Horses entered in FEI Dressage World Challenge, should not take part in another national/ regional competition organised in the framework of the Challenge if organized at the same time (refer to 2.10).

2.7 Any **Athlete/Horse combination** that has competed at any FEI Events (**CDIs, Regional Games and/or Senior Regional Championships**) in tests higher than Intermediate I may or may not be eligible to participate in the Challenge, under the following conditions:

Competed in CDI2*/CDIO2* (as defined in DRs Art. 407) with a score lower than 65% – The combination will be eligible

to compete in the Challenge PSG and/or Intermediate I class again the following year. Competed in CDI2*/CDIO2* (as defined in DRs Art. 407) with a score of 65% or higher – The combination is no longer eligible to compete in any of the Challenge classes at any time. Competed in CDI3*/CDIO3* and above (as defined in DRs Art. 407) – The combination is no longer eligible to compete in any of the Challenge classes at any time.

This only applies to Athlete/Horse **combinations**; therefore, an Athlete can compete using another Horse that did not compete in a Big Tour and a Horse can be ridden by another Athlete (refer to art. 2.10).

Other restrictions may apply based on the National Federation's participation criteria. Athletes must consult the National regulations for such restrictions.

2.8 Any **Athlete or Horse** that has participated in an Olympic Games, an FEI World Equestrian Games and/or Senior European Championships is no longer eligible to compete in the Challenge.

2.9 It is the responsibility of the National Federation to select the participants (Horses / Athletes) for this Competition in strict accordance with the participation rules above and make sure that Athletes and Horses comply with these rules.

2.10 An Athlete or Horse is allowed to start **maximum twice** in the Challenge classes, as below:

Starting possibilities:

i. Athlete/Horse combination*:

An Athlete/Horse combination is allowed to start in two different classes but with no more than one level difference, i.e.: Youth - Senior I, Senior I - Senior II, Senior II - PSG or PSG - Intermediate I, Preliminary - Elementary.

An athlete/ horse combination that has entered Category A classes may **NOT** enter Category B classes

ii. Athlete:

An Athlete is allowed to start twice:

- in the same class but with two different Horses

- in two different classes but with two different Horses. (If there is more than one level difference between the classes)

- Category B ONLY: On the same horse but in 2 different levels.

iii. Horse*:

– A Horse of 5 yrs of age may only start once

– A Horse of 6 yrs of age is allowed to start twice:

o Once in Youth and once in either the Senior I, Senior II class.

o Twice in the Youth class. With two different riders

– A Horse of 7 yrs of age and above is allowed to start twice:

o Once in Youth and once in either the Senior I, Senior II, PSG or Intermediate I class. - Twice in the Youth class.

– A Horse can only be ridden once in each of the following classes: Senior I, Senior II, PSG or Intermediate I.

*As an exception to Art.422.1.5, a horse may be ridden twice but it is only recommended in the lower level classes and an adequate break (rest time) is to be given between both tests. If a horse is being ridden twice in the higher classes (Inter I + PSG) a minimum break of 3 hours between tests **MUST** be scheduled in the programme (running order of classes). This exception **ONLY** applies if horses are not competing in another event (CDN or CDI) organised within the framework of the Dressage Challenge.

In cases where horses taking part in the FEI Dressage World Challenge are entered to compete in a CDN over the next day, then this exception does not apply and horses may **ONLY** compete in **ONE** test per day.

2.11 NFs have the choice to either enter all Athletes into one class or to divide them among all five levels (which is strongly recommended). NFs are completely free in their choice. However, the **maximum number (40)** of Athletes overall for Category A and maximum 40 Athletes for Category B must be respected (refer to 1.1). NFs may make a special request to the FEI in order to increase the number of starters. The request must be submitted **at least one week prior to the start of the Event** in order to be considered.

2.12 Draw for starting order. In accordance with the FEI DRs Article 425.2, for Individual Competitions, a draw should be conducted for each class to determine the starting order. Should an Athlete have more than one (1) Horse, the order of starting may have to be adjusted to ensure that a gap of at least one (1) hour is left between his Horses. If the number of participants is so small that this gap cannot be obtained, the Athlete may decide in which sequence to start his Horses.

2.13 Clarification regarding Team Horse & Athlete's Participation:

If a Horse and an Athlete have been selected for the Team, the test in which they have been selected must be their first performance.

As a combination can now ride 2 tests, and a Horse 2 tests, it must be made clear that it **is not allowed to use a round as a 'warm up'** before competing in the test for which they have been selected to represent the Team.

Eg. 1 A Horse and Athlete have been selected to represent the Team in the Senior I Level. They are not allowed to ride the Youth test prior to their Senior I Test. As they have been selected at Senior I Level, the Senior I Test must be executed first

Eg. 2 A Horse is being ridden by two Athletes, one of which has been selected for the Team. The Athlete that has been selected for the Team must ride before the Athlete not in the Team.

3. GROUND JURY

3.1 As an exception to Art. 437.1, only two Judges will judge the Competition. National Federations are responsible for the appointment of the two Judges. The Ground Jury must be composed of a President who must be an FEI Foreign Judge (minimum Level 1/2* from the FEI list of Dressage Judges: https://data.fei.org/OffListRpts/OfficialsByDisc_D.pdf) plus a "Certified" National Judge. The FEI Foreign Judge appointed by the NF **must be from the Region**, should this not be the case, the FEI may not contribute towards the travel expense of the FJ as indicated in art. 8.2.

The Intermediate I, Prix St Georges, Senior II, Elementary and Preliminary classes will be judged individually with the **President of the Ground Jury** placed along the short side of the arena at "C" (see Art. 429.5) and the **Ground Jury Member** at "E".

For the Senior I and Youth Classes, the **President of the Ground Jury** will be placed along the long side of the arena at "E" and will be responsible for judging the Quality score (see art. 6.2) and the **Ground Jury Member** at "C" judging the Technical score.

In cases where the FEI Dressage World Challenge is organized in the framework of an Equestrian Sport Educative Event, the President of the Ground Jury will be appointed by the FEI Solidarity Department.

NB: National Federations not offering Category A may still register to participate in the ACES Challenge. The NF must appoint an FEI Foreign Judge, L1/2* and a Certified National Judges from their Region. **These costs will be borne by the National Federation.**

3.4 According to Art. 2 of Codex for FEI Dressage (FEI DRs Art.448), a Judge must. avoid any actual or perceived conflict of interest. A Judge must have a neutral, independent and fair position towards Athletes, owners, trainers, OCs and other Officials and integrate well into a team. Financial and/or personal interest must never influence or be perceived to influence his way of judging.
